MODIFICATION of Notice of Violation / Cessation Order

To the following Permittee or Operator:

Name: Staker & Parsons Companies attn: Mr. Mike Dalley, contact

Mailing Address: 151 W VINE ST Murray Utah 84107

Mine Name: Beck Street Permit Number: M/035/019

Utah Mined Land Reclamation Act, Section 40-8-1 et. seq., *Utah Code Annotated (1953)*:

Notice of Violation No N-07-058-02 dated December 14, 2007

Notice of Violation is modified as follows: Extension granted until March 14, 2008.

Reason for modification is: Clarification and understanding must be reached regarding the fines management and how it will be outlined in the plan. There are several inconsistent phrases, comments, and commitments in the Notice that must be addressed to clarify and/or outline the fines management. It appears as though there are 'remnant' comments or residuals from previous plan reviews that were not removed or they just have not been fully explained. Since the NOI is currently being modified, it is important to 'clean up' this problem.
